1930s. 1933-1939 The New Deal is a group of new laws created to fix problems in the Great Depression economy, including methods to increase home ownership.; 1934 The National Housing Act of 1934, part of the New Deal, makes more affordable housing and home mortgages. It creates the Federal Housing Administration (FHA) (later United States Department of Housing and Urban Development, HUD) and ...

Timeline of the United States housing bubble - Wikipedia

A soap bubble is an extremely thin film of soapy water enclosing air that forms a hollow sphere with an iridescent surface. Soap bubbles usually last for only a few seconds before bursting, either on their own or on contact with another object. They are often used for children's enjoyment, but they are also used in artistic performances. Assembling several bubbles results in foam.
