Bibliotherapy or therapeutic storytelling is an expressive therapy that involves storytelling or the reading of specific texts with the purpose of healing. It uses an individual's relationship to the content of books and poetry and other written words as therapy. Bibliotherapy is often combined with writing therapy. It has been shown to be effective in the treatment of depression.

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...
