Here are those 12 elements—those 12 signs of a promising spec: The script is short — between 90 and 110 pages. The average length of a feature film is between 100 and 120 minutes (yes, I know that a lot of modern movies run longer than two hours, but those films are usually the result of self-indulgent directors abusing their right to final cut and does not reflect a desire on the part of ...
