

earth science regents 2008 pdf

In New York State, Regents Examinations are statewide standardized examinations in core high school subjects required for a certain Regents Diploma to graduate. To graduate, students are required to have earned appropriate credits in a number of specific subjects by passing year-long or half-year courses, after which they must pass at least five Regents examinations in some of the subject areas.

Regents Examinations - Wikipedia

Online versions of New York's standard high school tests, the NYS Regents Exams, which are given in all major subjects, including math, science, social studies, english language arts and foreign languages. The New York State Library collects these exams, scans them, and makes them available online as part of its Digital Collections.
