

eco regional approaches for pdf

Eco-socialism, green socialism or socialist ecology is an ideology merging aspects of socialism with that of green politics, ecology and alter-globalization or anti-globalization. Eco-socialists generally believe that the expansion of the capitalist system is the cause of social exclusion, poverty, war and environmental degradation through globalization and imperialism, under the supervision of ...

Eco-socialism - Wikipedia

Green anarchism (or eco-anarchism) is a school of thought within anarchism which puts a particular emphasis on environmental issues. A green anarchist theory is normally one that extends anarchist ideology beyond a critique of human interactions, and includes a critique of the interactions between humans and non-humans as well. This often culminates in an anarchist revolutionary praxis that is ...

Green anarchism - Wikipedia

The Single Market Scoreboard published this week shows that while most barriers to the free movement of persons, services, goods and capital are being eliminated, in some fields the situation is stalling or even worsening.
