

**encyclopedia of military aircraft pdf**

Active United States military aircraft is a list of military aircraft that are used by the United States military. For aircraft no longer in-service see List of military aircraft of the United States

**List of active United States military aircraft - Wikipedia**

Military aircraft insignia are insignia applied to military aircraft to identify the nation or branch of military service to which the aircraft belongs. Many insignia are in the form of a circular roundel or modified roundel; other shapes such as stars, crosses, squares or triangles are also used.. Insignia are often displayed on the sides of the fuselage, the upper and lower surfaces of the ...
