Essentials of Early English (review) | Request PDF

In "Essentials of Early English" Jeremy Smith presupposes almost no knowledge whatsoever and covers the vast subject in one neat volume. The book covers the three key stages of Early English: Old, Middle and Early Modern. Accessible and user-friendly, the new edition brings the story up to the present day with a new section entitled 'From Early Modern English to Late Modern English' and includes web links, facsimiles of texts, and a new further reading section.
