Essentials of Management and Leadership in Public Health

Course Description This course covers what everything business people and managers need to know about accounting and finance. It is directed toward the businessperson who must have financial and accounting knowledge

Accounting and Finance for Business Analysis - Apex CPE

Managerial accounting is not as widely used as other forms of accounting, nor is it as known. While companies concern themselves with financial accounting methods like audits, budgets and financial statements, they often completely ignore the forward-thinking methods of managerial accounting.
