Pathology Outlines - Fellowships

The word “race,” denoting lineage, comes from a French translation of haras (silent “h”) into the Italian razza “ which in Italian of that time applied to animals, not people.

How many major races are there in the world? - World

[Edit 3/2014: I no longer endorse all the statements in this document. I think many of the conclusions are still correct, but especially section 1 is weaker than it should be, and many reactionaries complain I am pigeonholing all of them as agreeing with Michael Anissimov, which they do not; this complaint seems reasonable.
