The Oxford Advanced Learner's Dictionary (OALD) was the first advanced learner's dictionary of English. It was first published 70 years ago. It is the largest English-language dictionary from Oxford University Press aimed at a non-native audience. Users with a more linguistic interest, requiring etymologies or copious references, usually prefer the Concise Oxford English Dictionary, or indeed ...

English grammar is the way in which meanings are encoded into wordings in the English language. This includes the structure of words, phrases, clauses, and sentences, right up to the structure of whole texts.. There are historical, social, cultural and regional variations of English. Divergences from the grammar described here occur in some dialects. ...
