philosophy of Ubuntu. It is this order which defines the African in the new global context, which seeks recognition for its civilisational achievements and contributions to world history and culture. This is the very basis of the quest for an African hermeneutic philosophy in the existing world, and the epistemology of Afrikology.

/ AXIOLOGY: A THEORY OF VALUE 204 II. Divine Principle Foundation for Axiology According to the Divine Principle, the human being, as a united being of Sungsang and Hyungasang, has both purpose and desire. Desire is part of the original human nature given by God (DP , 70). Furthermore, purpose and desire both have a dual nature.

Axiology: A Theory of Value

Afrikology tries to answer these questions by tracing the issue of epistemology to the Cradle of Humanity in Africa and through such a reflection the Monograph establishes a basis for holistic and integrated ways of knowledge production that makes it possible to interface scientific knowledge with other forms of knowledge.
